6. EXHIBIT RULES & REGULATIONS

Conducting Exhibits

Canvassing or distributing advertising matter outside the exhibitor's own stand is not permitted. Character of the exhibits is subject to the approval of the CEPIC office. Management (CEPIC and the Maritim proArte Hotel) reserves the right to refuse applications of the exhibitors not meeting the standards required or expected, as well as the right to restrict exhibits or parts of exhibits which reflect against the character of the meeting. We expect that all products will be up to professional standard. This applies to displays, literature, advertising, novelties, souvenirs, conduct of persons, etc. Loud noise of any kind, in particular loudspeakers, is not permitted.

Liability and Nightly Exhibition Security

Neither the organiser nor the MARITIM proArte Hotel will take any responsibility for packages, exhibition stands and materials of the exhibitor. The necessary insurances must be organised from the exhibitor. The exhibitor / organiser is liable for any damages, that he or an authorised person has caused on the building or the inventory of the venue. All equipment has to be taken from the power supply overnight. Equipment, that has to be connected to the power supply, is in the responsibility of the exhibitor. No damages have to be caused by equipment left connected overnight. An agreement from the hotel beforehand is necessary. We strongly advise to lock away any valuable or easy to remove objects. A night security is not mandatory.

Fire Protection

The existing regulations specify that the exhibition stand has to be made of not flammable or flame-

retardant material referred to the classification of "Baustoffklassen DIN4102 A and DIN 4102 B1. A certificate for it has to be carried along and shown on demand. Failure to comply with these regulations will be in the responsibility of the exhibitor.

Subletting of Space

The subletting of space, assignment or appointment of the whole or part of assigned space by any exhibitor is prohibited. No exhibitor may permit to exhibit in his space any goods other than those manufactured or handled by the contracting exhibitor, nor permit the solicitation of business by others within his space.

Walls and Floors

No sticky tape or band may be used on the floors, walls, pillars and mirrors. The existing floors have to be protected professionally against damage and pollution. In case of very heavy exhibition goods, the floor has to be covered if necessary. Brought in forklifts have to have plastic or rubber wheels. Any damage on the carpets will be the responsibility of the user and charged accordingly.
